# 2030

## Why Georgia 2030?

### Economic Growth

To keep pace with the rest of the country, Georgia's economy must grow by nearly **40% by 2030.**

**1 Million**  
New Jobs

We will add **1.9 million** people that will fill over **1 million new jobs.**

**65 Million+**  
Containers

Fortunately, the 1.9 million people will help us process **over 6.5 million new containers** at Georgia's ports -which equals about **75% percent more volume.**

**134,000+**  
Flights

There will be **over 134,000 new commercial take off and landings** at Hartsfield-Jackson International Airport.

## What Does This All Mean?

**1.5 Million+** Cars

New Georgians could also add over **1.5 million new cars** to our roads, **Use more water** and **16% more energy.**

We'll Need  
**38% More**  
Physicians

To keep our economy humming, we'll need nearly **18% more postsecondary degrees** and **38% more primary care physicians.**

**More Diversity**

New Georgians will also make Georgia a **more diverse** place to live.

Senior Population  
**Rise**  
**50%**

Our new majority-minority state will see **millennials in the workforce grow by 20%** while our **senior population rises over 50%.**

## So How Will the Georgia Chamber Respond?

# GEORGIA

# 2030

Georgia 2030 is an ambitious plan to expand Georgia's role in global commerce, cultivate a world-class workforce, bolster economic mobility, improve long-term job creation, and support diverse, thriving communities.

To pull it off, we need your help. Participate in our town hall meetings, listening sessions or focus groups.

Ask how you can be a part of Leading the Future.
