# Middle Georgia State University

---

## Master of Science in *Management*

---

## Light Up Your Career!

Middle Georgia now has a degree that is targeted to the specific needs of middle and upper level managers or anyone who aspires to be a manager in the Department of Defense industry! The 31 credit hour curriculum was designed in collaboration with high-level, senior managers.

## Why the MGA MSM?

- Small class sizes taught by highly qualified faculty (significant direct interaction with professors)
- Evening classes conveniently scheduled at our Warner Robins Campus
- Concentrations available in Program Management, Supply Chain Management, and General Management (Accounting is also available but not DoD specific)
- Significant networking opportunities with your peers at RAFB and in DoD community
- Up to six hours credit awarded for qualifying Defense Acquisition University courses
- Foundation course requirements (if needed; see table on next page) may be satisfied online for \$75 per course
- Tuition rate of \$195 per credit hour is the lowest in the state for a graduate business program.
- Program may be completed in as little as two years

## MSM Foundation Requirements and Curriculum

Foundation Courses (0 – 15 hrs)	Core (18 - 21 hrs)
<p>Students who did not take the following courses (or their equivalent) in their undergraduate program will need to complete them prior to full acceptance into the program.
